**POLYMER WALL PANEL WARRANTY**

**HOW TO FILE A CLAIM**

All necessary warranty and care information is enclosed with each panel system. It is the retailer's responsibility to present this information to the purchaser.

It is very important to complete and return the Latham warranty card within the first 30 days following installation of a new panel system. Our web site, [www.yourpoolwarranty.com](http://www.yourpoolwarranty.com), may also be used to register a warranty. Doing so validates your acceptance of the product and its instructions for use and care. It also registers your ownership and simplifies claims processing in the unlikely event you may need that type of assistance. Please follow these easy steps when contacting us:

- 1) If you believe you have a warranty claim, please contact the seller of the panel system. The seller or their designee should assess the product and report its findings to Warranty Service at *Latham Pool Products, Inc.* If you have not received a response to your claim within three weeks of the date you first contacted your seller about your warranty claim, please call our Warranty Service department toll-free at 888-MYPOOL2 (888-697-6652).
- 2) A Customer Service representative will ask for a claimant's name, address, phone number, the date the panel system was installed, the business name of the product seller and a description of the claimed defect. A claim number will be assigned.
- 3) Please record and save the claim number.
- 4) The Customer Service representative may require the original seller/installer to inspect the product to verify the cause of the failure. The representative may also ask for digital or paper photographs of the area suspected of being defective and/or the return of the defective wall panel. In either case, the appropriate mailing address will be provided.
- 5) Upon review, the purchaser will be informed as soon as possible as to the disposition of the claim.
- 6) *Latham Pool Products, Inc.* reserves the right to change its warranty claim filing instructions and procedures from time to time. Please contact your authorized Latham Polymer Wall Panel retailer for the latest instructions that apply to your warranty claim.
